Morton County to lift spring load restrictions May 20

Mandan, ND – Load Restrictions will be lifted on all county paved roadways in Morton County beginning May 20, 2019. Gravel roads will only be restricted as needed based on spring rains. The county load restriction map can be viewed at <https://www.co.morton.nd.us/loadrestrictions>.

Restrictions went into effect on March 25, 2019 on Morton County roads to reduce damage to roadways caused by heavy loads when pavements are most vulnerable. As weather and roadbed conditions are stabilized to carry legal weight traffic without damage, load restrictions are lifted.
