Property owners to receive estimated Property Tax Statements via mail

Mandan, N.D. – The Morton County Treasurer’s Office has mailed a “Notice of Estimated Property Tax and Hearing Dates” to all Morton County property owners with properties of \$100 or more of estimated 2018 property taxes.

These estimated statements should NOT be paid. These are estimated taxes based upon preliminary budget figures and do NOT include special assessments.

These new estimated tax statements are the result of new legislation intended to explain the changes to citizens’ property tax in dollars based on each taxing district’s preliminary budget and to increase taxpayer participation in the budget process by providing the date, time, and location of each taxing district’s final budget hearing.

For more information about the statements, call the Morton County Treasurer’s Office at 667-3310 or the Morton County Auditor’s Office at 667-3300. For questions about taxes levied by any of the listed entities, please contact that entity directly.
