NOTICE OF PUBLIC HEARING

Mandan, N.D. – The Morton County Commission will hold a public hearing to gain input regarding joining Morton County Social Services with Sioux and Grant counties at 5:30 p.m. on June 10, 2019 in the Commission Room of the Morton County Courthouse at 210 2nd Ave NW in Mandan.

Currently, Morton County Social Services works closely with Sioux and Grant counties through an informal mutual agreement to provide technical assistance, onsite training of staff and sharing of resources. With recent legislation that reorganizes North Dakota's county social services into multi-county "human service zones," the commission is seeking public input before moving forward with a resolution in support of combining the three counties' social services.

If unable to attend, the public is urged to submit comments to the commission via email to auditor Dawn Rhone at: Dawn.Rhone@mortonnd.org.
